IRAQ TO THE UNITED NATIONS ADDRESSED TO THE SECRETARY-GENERAL

On instructions from my Government, I have the honour to inform you that the United States Air Force continues to violate Iraqi airspace as follows:

1. On 23 June 1991, the United States Air Force made a solo sortie. The aircraft in question was flying at medium altitude and at a speed of 600 km/h.
2. The aircraft was engaged in a surveillance and provocation operation over the Arbil region.

I should be grateful if you would have the text of this letter distributed as a document of the Security Council.
